Leading Canary Island property magazine

freedom4sale.com

The biggest and best Canary Island property website

Rate Card

Freedom4sale effectively markets property via the two most powerful medias available.

In print we have the Canary Islands leading independent, high quality real estate magazine. This is distributed free across the Canary Islands and posted free directly to subscribers across Europe. The magazine is complimented perfectly by our very powerful property website.

Freedom4sale.com receives over an incredible one thousand visits per day. For most property searches in google we are in the top five, try typing 'Gran Canaria property for sale' (or any other island) and see for yourself.

Every magazine advertiser receives their own web site user account from where they can upload properties and receive leads directly.

- Every issue, 15,000 copies are distributed throughout Lanzarote, Tenerife, Fuerteventura, Gran Canaria.
- 3,000 copies are sent directly to subscribers in the UK and rest of Europe
- Requested magazines are sent out every day to potential buyers all posted for FREE.
- The website now receives an average of 1000 visits per day
- We send you qualified leads every day included in the price of your advert
- Ongoing advertising campaigns
- Magazines are downloaded from directly from the web site

You will be sent property leads generated by the 'property finder' form and from 'property enquiries' generated from your properties on the website.

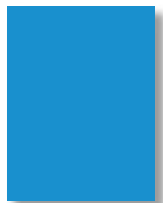

Freedom For Sale, with its unique pictorial directories and layout, is the most useful and effective quality property magazine for the Canaries. Paired with our powerful internet property search website it is THE forum to promote your business in The Canary Islands.
